THE BOOKING OF YOUR STAY

- **How to book?**

The booking of your stay at Chalet des Neiges can either be made by sending an email on info@chaletdesneiges.com, or by contacting the booking department over the phone, on 00 33 479 390 290. You also have the possibility to book directly online through our website www.chaletdesneiges.com, by clicking on the tab "BOOK".

By visiting our website, you will also be able to follow the offers and discounts provided by Chalet des Neiges throughout the year, and therefore book your stay at the best price, according to your needs.

- **Payment of your stay**

At the moment of the booking, a 25% deposit of the total amount will be required to confirm the reservation. The remaining balance of your stay should be paid 30 or 45 days prior your arrival (including the services added thereafter, such as ski passes, ski lessons, parking spaces...). Therefore, all the services booked will have to be paid before your arrival, and the services added after the payment of the balance of your stay will have to be paid straight away. For some special offers, the total amount of your stay could be required on reservation.

Credit cards (Visa and Mastercard), and bank transfers are the means of payment accepted for the payment of the deposit or of the balance of your stay. We do not accept American Express credit cards. You have the possibility to pay the balance of your stay with different credit cards (when several families/friends are staying in the same apartment and each one wishes to pay his share).

If you have paid the deposit of your stay by credit card, please note that we will have the possibility to program the payment of the balance of your stay on the same credit card, 30 or 45 days before your arrival. If you do not wish the pre-authorized debit to be programmed, we kindly invite you to specify it.

- **Requests concerning the apartment**

At the moment of the booking, you will be able to mention your wishes in terms of exposure, view, and location of the apartment, where you will be accommodated during your stay. We will indicate your preferences in your booking but we would like to draw your attention on the fact that we cannot guarantee the assignment of an apartment which complies with all your wishes. The assignment of the apartments is done a few days before your arrival by the manager of the Residence, who will take into consideration the requirements of all our customers. He will do his best

to satisfy your demand, according to our possibilities, and taking into account the constraints of our residences.

- **Rental conditions**

The rate of the apartment's rental includes the apartment's rental, bed linen, towels, beds made at your arrival (during winter only), water, electricity, heating, TV, telephone direct dial (calls excluded), and all the taxes (except the tourist tax, which will have to be paid at your arrival, on site). The booking of your stay also includes free and unlimited access (during opening hours) to the facilities available in each residence (indoor heated swimming-pool, sauna and/or hammam, fitness room).

For each booking file, there are €30 of booking fees which are not included in the price of the apartment.

A deposit of €500 per apartment will have to be given at check-in time. It will have to be paid by bank card imprint only. This deposit will be given back to you on the day of your departure, if no damage and no breach of contract are recorded (missing or broken object, final cleaning not done or insufficient, loss of keys...).

- **Cancellation insurance**

Chalet des Neiges gives you the possibility to subscribe a €86 optional cancellation insurance. If you decide to subscribe this cancellation insurance, we will not have the possibility to suppress it thereafter. We will require the first names, family names and dates of birth of all the participants, who will be thus covered by this insurance.

The cancellation insurance guarantees the cancellation of your stay for any justified reason (disease, accident, death, lack of snow), before or during your stay. It includes especially the ski passes' and ski lessons' refund in case of cancellation of your stay, the ski equipment breaking, the third-party liability insurance. Please contact the booking department in order to get the specific and contractual conditions of cancellation.

- **Cancellation of your stay**

Any cancellation of a stay at Chalet des Neiges will generate a €50 cancellation fee, per apartment and per week. The cancellation will have to be notified by registered post with recorded delivery, or by email, and the date of reception will determine the date of cancellation. If your cancellation is notified more than 30 days before your arrival, the cancellation fee will be 50€. If you have booked your stay under "classic conditions" (excluding special offers), and your cancellation occurs more than 30 days before your arrival, the cancellation fee will be €50. If you cancel between 30 and 15 days before your arrival, the

costs will be 25% of the price of the stay, if you cancel less than 14 days before your arrival, the costs will be 100% of the price of the stay.

If you have booked your stay with a special offer and you cancel more than 60 days before your arrival, the cancellation fee will be €50. If you cancel between 59 and 46 days before your arrival, the fee will be 25% of the price of the stay, if you cancel less than 45 days before your arrival, the fee will be 100% of the price of the stay.

If you have taken advantage of the FLASH offer, 100% of the total amount of the stay will be requested at the time of confirmation. The booking will then be non-refundable and non-changeable.

Furthermore, please note that Chalet des Neiges will not be required to refund all or part of the stay to the tenant, in case of reduction in the length of the intended stay, for whatever reason. The cancellation insurance subscribed through Chalet des Neiges or the personal insurance of the tenant may apply in that case.

- **Changes of your stay once confirmed**

One of your children who breaks his arm, the children who finally decide to come with their friends, a wish to arrive one day earlier or to leave one day later ? The Chalet des Neiges' team is always understanding and will always do its best to offer you the possibility to adapt your stay, according to your requirements. Therefore it will be possible to offer you an upgrade, an early arrival, a late departure, if the planning enables it. Those changes will be done without any fees (other than the difference in the price due). Please do not hesitate to contact the booking department in order to solve these little changes, for which we will probably find a solution.

- **Ski passes, ski equipment and ski lessons**

Chalet des Neiges takes care of everything! On request, we can book your ski passes, at competitive rates. You will collect them upon your arrival, at the residence reception, when you will be given the keys of the apartment. You also

have the possibility to order ski lessons with the French Ski School ESF, through us (without discount). Those orders will have to be placed at the latest, 7 days before your arrival. Regarding ski equipment, we will send you the link of our partners and the discount code you will have to indicate to benefit from the special rate applied for all the Chalet des Neiges customers.

- **Tourist taxes**

The tourist taxes are not included in the price of the accommodation. They will be added at the moment of your stay and will have to be paid on site, according to the number of participants. They are established by the municipality and depend on the classification of the residence.

- **Length of the stay**

The stays at Chalet des Neiges are from Saturday to Saturday, whatever residence you are staying in. During low season, and depending on the availabilities, we offer stays with an arrival on a different day of the week or short stays (of 3 nights minimum). During high season, the apartments are rented from Saturday to Saturday. It is possible to arrive on a different day, on Sunday for example, but there will not be any change on the price of the stay. If you wish to arrive on Friday, if we do have availability, the extra night will be invoiced (by prorating the weekly rate).

- **How to communicate with Chalet des Neiges?**

Throughout the booking process and until your arrival on site, you will be connected to the Booking Department. All the exchanges are made by email or by telephone. Chalet des Neiges does not send any document by post. The Booking Department will be in charge of communicating all the important information (such as services added, exposure of the apartment...) to the receptions of the residences, in order to ensure that you have a pleasant stay.

IN THE MOUNTAINS, BE PREPARED!

You are about to reach the resort where you will spend an excellent holiday. Keep in mind that the weather in the mountains is very changing. Therefore, whatever weather is announced the day of your departure, do not leave equipment, which might be essential, at home: snow chains will necessarily have to be part of your luggage. Organize them so they can be used quickly and make sure that you also have water and gloves. Specific chaining areas will be available all along the way to the resorts. Please note that equipment very easy to use and which do not require much space exist. We would advise you to check with a garage.

We draw your attention on the fact that **the access to the resorts is often forbidden by the police, to the cars which are not equipped with snow tyres and/or snow chains.**

Check-in:

- The day of your arrival, the apartments are available from 5.00 PM.
- At your arrival in the resort of Oz en Oisans, park your car in the drop-off parking to unload your car (take the elevator located on the left of the cash machine, the residence will be in front of you when you exit the elevator on your right) and then head to the reception of the residence.
- The Chalet des Neiges' team will do its best to make your stay as pleasant as possible. This is the reason why we invite you to report to the reception upon arrival. Your apartment might already be available, even if it's not 5.00 PM yet.
- You will then be handed over the key of the apartment against a deposit of €500. This deposit will have to be left by credit card imprint only. We draw your attention on the fact that in order to do so, we will need you to enter your PIN code. Therefore, Dutch and English guests, please ensure that you know this code when the time comes.
- The total amount of the remaining balance (tourist taxes, parking place, ski passes...) will have to be paid at your arrival, at check-in time.

Late arrival: If you think you will arrive late to the residence, please notify it to the booking service, which will take good note of it. In this case, an envelope with your name on it will be left at the reception: inside it, you will find the key of your apartment.

Reaching the car park: If you have booked a parking space with your accommodation, you will get the ticket of the car park at the reception of the residence. This ticket will enable you to access the covered car park (located on your right just before the drop-off parking).

Luggage storage: If you wish to enjoy the day of your arrival to go skiing, you can leave your luggage in the luggage storage of the reception, **depending on availability**, open during the same hours as the reception: from 7.30 AM to 8.00 PM on Saturdays. The place remains locked and this service is offered.
